Figure 1

First, if you
want this body
so bad I'll give
it to you.

What did
you do to
me? Do
you really
love me?

Then let me do it,
Kieha.

Why?

Kieha?

*In this
house is
like a dream*

*Being
able to
bury
myself*

Kichi

*If you're
going to do
it, do it
quick*

Who's
SC?

Heh
heh.

Are you
scared,
Kicho?

クッ

!?

クッ

Did
it
work?

Sorry

You can't
see, can
you

The drug is
weak, it only
lasts about an
hour.

But it's
okay.

It'd be a
problem if
you ran
away again.

Heh

Let's
have
some
fun.

Well
then,
Aniki.

And I forgot to
crawl under my

In the dark.

But I would
struggle up.

I felt sick,

But I would have died
a lot. I'd cry out.

so
pretty

fish
hook

While
licking
your
hair

Wrap-
ping it
around
my
fingers

I always
jerked
off ...

umh

Whenever
I thought
about you,

in my
imagination
I
dirtied this
skin over
and over.

Grow your
heart! Never
cut it!

That's
the best

You will live
your whole
life as a girl!

This
is
always

like I was
grown long just
for me ...

*So please
don't
come
outside
at all!*

*I haven't
borne one
yet.*

*I haven't
borne a
boy!*

*You're wrong!
This is a girl!
She can't
inherit!*

*You're
wrong.*

*Your
freedom
belongs to
me.*

*I won't let you cut
a single hair until I
say.*

*You can't
leave this
house
either.*

*Did you
sleep with
wet hair
again?*

*I seem
to*

*resemble
him*

*I only
know her
from
photos*

*but with
long hair
you do
resemble
her*

*Do it
yourself.*

*You're
good at
that,
Retsu.*

*From now
on I'll have
you do it
for me.*

*I want you to,
Retsu.*

My own body.

my own life.

*That's things here,
and it's not a lie.*

Why did you protect
someone like me?

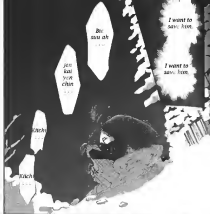

Why did you use your body
to protect me?

Time Lapse

Does it
hurt?

why did
you do
that

why

chapter 10

Don't
worry

Don't
worry

But even so, I held Katchi

Tightly, Tightly

So he wouldn't get any colder,
any more hurt, any more
injured.

I who was powerless did the only
thing I could.

After that, until rescue came, I
continued to hold Katchi

This is a hospital. Do you feel well? You've slept for two days.

you're awake?

Oh.

Where's Kishi...?

Two days in hospital?

He has nothing to worry about now.

A little damage to his eyes but he's fully awake.

He's fine.

There's just a little blood around the eye, that's all.

Kishi? Oh, the boy who was brought in with you.

Sorry to
trouble
you.

Then, please
call if you
need any-
thing

How
you
feel-
ing?

He really
got you,
Maruoni

Beige

I'm
sorry.

Even
though
he said
that,

*It's my fault
Kichi got hurt*

stay with
Aim and
protect
him.

At least
you
can.

*You did
good.*

What will you
do? Throw it
away, or inherit
from a father
you hate so bad
you want to kill?

When he
asked me
that, I
didn't
choose
Kichi...

I'm
thankful
you,
Haruomi!
I'm glad you
stayed with
Kichi.

That
wasn't
just your
fault

Shush
it!

You came
all this
way,
aren't you
going to
visit him?

That
is...

Besides,
your
"Yash."
brother
was really
worried.

Please get
well soon

Watan

are you
okay?

Didn't you take your new
pink leather?

Nitram

about me

I'm an idiot.

Noting Tamiel as special, I've
been rejecting Shunkei who's been
looking up to me for so long.

Shunkei is
"Shunkei"

Thanks,
Shunkei

Was I really such an idiot

I didn't get anything that great

It seems
that
Mariusen
has been
awake for
some time

Kliche
comes

Is it
because
you were
so well
manipulated
by Marien
some's
refusal?

Why are
you so
angry?

IT OF

Or is it
because
through
your own
fault

Reiji has
been chosen
as heir?

Ah, come
to speak
of it

I have a
message
from
Shugo-
sama

You're free to
leave the
house or go
back to school
after this.

His words
were. I'll
give you
money to
do what
you want.

Apparently
once you are
released
from
hospital you
can do as
you please.

What the
hell's
that?

How long
is he
going to
treat
people
like
things

It's
disgusting
and
reckless
.

Then
it

Even if I'm
free now
someday he's
going to
see
me again.

Isn't
he?

You're
not
telling
me

that's
some kind
of
reward?

so you must live in that house for your entire life.

That is because

you are a part of the Aoi family

No

So Right

can I hear you?

it is all for Shingo-sama.

You have no problems treating people like things

You're just like him after all.

But remember this

Kishi-sama?

I shall
consent
that to
heart.

Eavesdrop-
ping is not
very
admirable.

I do not think
Kachi sensei wishes
to be seen while so
weakened

If you will see
him you should
wait for a more
appropriate
time

Kachi

but that
would be
too hard
for Reiji.

I wouldn't
have cared if
the house
was
destroyed in
my
generation.

To be
honest.

As you
wanted I
got the
house, and
produced
an heir.

Isn't
it?

It's
your
fault
for
refusing
me.

Mutsumi

Re-
spect-
ability

and
honesty

That today's
tea does not
just follow
that book.

So after
about
years to
enjoy the
way of tea.

When there
was that
dinner at
the temple,
he picked
on you.

Oh yeah,
you
remember
Miyamoto?

Miya-
moto
...?

You have some
like taste yourself,
not bad.

Oh, it was a splendid tea
experience.

getting
as on the
same
level as
your
son's
tastes.

You sure
talked
some shit,
you
bastard.

Even though, if that day hadn't overflowed it,

we could have had father and son in the press.

So I destroyed him.

I don't care who it is.

If he hurts you I give no mercy.

Why did you do that?

It's natural, isn't it?

You can hate
me more if you
want. Mushi

who
hates me
most is
you...

The one

Even so
I'm
kind
aren't I?

How do I want to go on being
with you.

Kuchi - 7

*Come with
me for a bit*

*you
haven't
come to
see me at
all*

*so I came
creeping
in
through
the night*

*Kick
your
butt*

Snow

*should
actually be
cold*

More important, I was surprised to see Shunichi sleeping in there.

He wouldn't listen and said he'd stay over no matter what.

Kacha?

My

But it's annoying.

Shun's good too, right?

When did you two get so close?

It's rare for him to be selfish.

He did?

But really I—

I hurt him for a long time by not returning his feelings.

I thought I'd don't something sad to him.

Then
screw
up

I have a
fairly
younger
brother

Don't have
the right to
be admired
by him

named
"Then Lee"

and got
shot in
the leg by
a yakuza

to save
Then.

I couldn't
think of
another
way

who'd stay
quiet I needed
money.

To get him
treated by
a doctor

So I sold
myself to
that man for
3 million yen

*I just
wanted
relief*

*But
it's
possible*

Sleeping, eating, living . . . we were together for all of it.

*Why
twins?*

*If there was
just one of
you it'd still
be easy! I
don't need
two!*

*It's your fault
another man
ran off on
me!*

*If I'd been alone I
could have lived
more easily.*

*I've always
probably
known
how
to
live.*

*It's probably
hard
to
live
with
you.*

If I'd been alone -

...
out of touch
with
reality

...
enjoying

...
it was
always
hard

...
Heavy

But even so,
beloved

Loving, hating

You said
anything

but you can't
throw it
away

I wonder why
parents and
brothers are
like that?

It's pretty

and
hard to
drop

So
carefully
and weak

You're
late!

For
crying
our
tears!

...
sorry

You were
all over
looking for
him again,
weren't
you?

Kiku!

Because you
can't move
around freely
except without
your
obedience
charge

How... he
totally
looks like
you!

But what's
with the
guy who
looks like
Tim
Lee's
daughter?

Got it

Listen up.
Don't get
it wrong

The one we're
going to
kidnap is the
one in the
middle with
the glasses

Pushes
me off!

Watch!
He's
fixing it
up.

He lives
together with
him in the
mansion and
wants to have
owned the
clock.

He's like a
bodyguard

Don't keep making me repeat myself

Then Lee isn't he really a stranger?

Hey,

The truth

Like I know a guy like that, you never!

The truth is I don't know him

That's not the Tim Shee I wanted.

"That's" not the Tim Shee I know.

Do it,
Tim Lee!

It's easy,
just show
your face
and make
an
opening!

Cause
it's an
am-
some
coinci-
dent!

So you're
going to
use me as
bait?

He won't be
drawn into a
trap by
experts like
us.

The
security is
right
around
that
obnoxious

he's a
problem
because
he's
always
with him

That guy
who looks
like your
double

The client
seems to
want him
kept
pretty.

But
whatever
you do,
don't injure
the target

You can do
it however
you want.

I'll pay
10
million
yen per
person.

Hey, are
you
sure you
ain't
brothers?

The
other
has a
fake and
cheap
lifestyle.

Even though
you have
the same
face, our
lives in high
style with so
much
money.

Even so
there are
unfair
things in
this
world.

Don't
gross me
out . . . !

It's
obvious
he's a
total
stranger.

Don't put me in
the same class as
him.

Go ahead and suffer.

*I ain't
ever
forgotten
this.*

*I ain't
never
you be
happy*

You go ahead and
taste the suffering
I have.

Warmth, beauty.

These you
hold dear.

Alas, this, too.

*because
you have
the duty to
suffer.*

So it's
okay

No.

Then I'll
pick you up
in the
afternoon

She
invited
herself over
last night so
I have to
make her
make up for
it

today
Tamaki san
will give me
a ride.

Yeah

Though I did just
barely escape a
hangover.

Alright,
okay

Good
bye,
daddy

Amazons, you can't be here

Kachi

So spend
that time
searching
or whatever
as much as
you like.

A normal
day

A morning like any
other

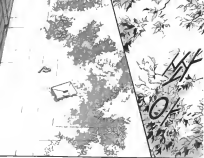

That's what it should have
been

June 10th 8-50 AM KROCI is kidnap

아침 II 일곱시

이 책은 *아침* 시리즈의 일곱 번째 책이다.

Tasuki?

Kichi's
probably in
trouble.

June 18th
3:06 PM

The truth is

someone saw a person like Kichi forced into a car this morning.

The person with him was a young male but

he didn't show up for any lectures.

There seem to have been dropped on the way to school.

The only definite is that Kichi was taken away somewhere.

Kichi

Even if
you did
it's
useless,
Shouhei

I can
contact
my father

It's
no good

my
Shougo-
sama.

And isn't there a
possibility that he's
in on the whole
thing Akemi?

there's no way
that man
would save
him

Even if he
knew Kichi
was
kidnapped

Then
I'll spread
that photo
if you all
copy with
the 18
year old
kidnaper
through
the police
station

The truth is
I want you
to look for
somebody

Ah,
hello,
Kyou-
nichan

about
you

about
you

really do have
a cold
parent-child
relationship

The next
master of
Ace house,
Ruth
Humph

What will
you do
now?
Reiji.

With this I
think I can
use the
police as
much as I
want.

Then I'll
leave it to
you.

Um
hm.

Then I'll have
to use that
power as
much as I want,
won't I.

Who did
you call?

You have
to use your
connections
or things
like that.

My
cousin
who's
head of
police.

Call out
that leech
from the
detective
agency
we've been
using.

Find Kishi
before
anything
happens, no
matter what
the cost.

Har-
uomi
r.

Before we
regret it,

move!!

Er?

They'll be
late to
pick up
the
hostage?

Yeah

Had a call
from
Kido-san

But it's
awesome
ain't it.

With
that we
get
10,000
,000
each

Aren't
we amazing
for pulling
off a
kidnapping
the yakuza
couldn't?

....

Thanks
to Tien
Lee.

Yeah.

IT'S
ANNOYING
AND
DANGEROUS.

HEY NOW,
YOU'RE REALLY
QUIET. I THOUGHT
NORMALLY PEOPLE
GET SCARED AND
STRUGGLE.

I CAN PICTURE
WHAT'S GOING TO
HAPPEN
PROBABLY AFTER
THIS I'LL BE
RAVAGED BY
SOME SICK
BASTARD.

IN THE END KNOE IS
